Subject: Hotel information for peer review workshop

The following information is provided for those who may be interested in attending the perchlorate external peer review meeting in February.

The perchlorate external peer review workshop will take place on February 10-11, 1999 at the San Bernardino, California City Council chambers. The meeting will begin at 8:30 A.M. on the 10th and will end at 12:30 P.M. on the 11th. A meeting of the Interagency Perchlorate Steering Committee has been scheduled for February 12th from 8:00 A.M. until 12 noon at the San Bernardino Radisson Hotel.

I have reserved a block of rooms at the San Bernardino Radisson (reservation # 800-333-3333) under the group name "perchlorate conference" for February 9, 10 and 11. The room rate is 55.00 per night. The Ontario, California airport is most convenient to San Bernardino, followed by Orange County (50 miles) and LAX (80 miles, through heavy traffic). A notice announcing the meeting and providing registration information will be published shortly.
